Lions Clean-Up Drive Scheduled for Week of May 15; Final Sweep May 21

Continuing its annual program to aid Orinda through community projects, the Orinda Lions Club has scheduled its clean up drive for the week of May 15, ending with a final "sweep" on Sunday May 21, 1950.

In charge of the committee is Lion Joe Navone, who urges all residents to avail themselves of this opportunity to get rid of accumulated trash, old paper and magazines, junk, and anything that has gathered dust around the house or yard and is no longer wanted.

Newspapers and magazines should be securely tied in bundles. Miscellaneous small items can be put in boxes or cartons to facilitate quick easy handling. Navone says to call him for arrangements to pick the stuff up — phone Orinda 2844.

Trash and refuse can be burned, but Chairman Navone warns the residents to remember and phone the Fire Department(Orinda 6666) for a permit. As a matter of fact, Chief Wyatt is eager to cooperate in this clean up drive and has offered the assistance of his Department in the burning of trash, garden trimmings, etc., and will make inspections and issue permits promptly. Also, newspapers and magazines (tied in bundles) may be left at the Fire House any time.

Your active participation in this clean up drive will help three ways, says Navone: it will help you clean up your own place; it will help the Lions Club successfully continue a worthwhile project; and it will help the community spruce up.

It's a Weather Game Now for Lafayette, Orinda

There seems to be a weather game on between the two communities of Lafayette and Orinda, with the former warming up to a two point lead.

High temperature for Lafayette through Tuesday was 81 degrees, compared to Orinda's 79. The second team held to the same ratio, with a minimum reading of 34 in Lafayette on the 3rd and a low of 32 in Orinda the 4th and 7th.

Last minute reports on this prolonged competition indicate the individualistic character of the two communities. Orinda weather man reports .06 inches of rain fell bringing the total to 27.69 inches, while Lafayette weather department retaliates by reporting a new high of 84 degrees Wednesday.

Trophy for the "hottest" team will be one bucket of ice cubes. Loser of the second team series will be awarded one suit of red longies—all wool.

Greyhound Asks Interim Rate Hike

Demands for an "interim" fare increase for Greyhound Bus Lines were pigeonholed, at least temporarily, when the State Public Utilities Commission recessed further rate hearings until May 24.

The Commission recessed to revise exhibits in its hearings, resulting from Greyhound's latest demands for still higher fares.

LIMITATIONS TOLD

As he adjourned the session, Dr. Ken Potter, Commission examiner, advised Allen P. Matthew, bus line attorney, that he would take the plea for interim fare increases under advisement. At the same time, however, he warned that the entire Commission must act, even on the interim plan.

Matthew's demand for interim increases pending eventual outcome of the fare hearings was bitterly opposed by Spurgeon Avakian, attorney representing Contra Costa County Commuters' Association, and similar groups in Marin and Peninsula counties.

50 PER CENT HIKE

Should the rate increase be granted, it would raise commuter fares approximately 50 per cent in Contra Costa County, experts said. They based the raise on the cost of commute books now and what they would cost if the increases are allowed. The company's claim, based on single fare raises, cites only a 7.1 per cent increase.

Avakian scorned the computations used by the company as a basis for its poverty plea. He cited the line's systemwide "high" returns, and asked the PUC make no decision until all evidence has been considered.

Pandora Chapter Slates Election

Election of officers for the coming year will be held at the Pandora Chapter of the Children's Home Society meeting on Monday, May 15, at 12:30.

Nominating committee members include Mesdames Victor Richit, Frank Hight, T. E. Haley, John Dorr, Robert Powell, James H. Anderson and Fred Repp.

This will be the last monthly meeting before the summer vacation. However, a committee headed by Mrs. G. M. Heinrici will be busy selling tickets for the first all-chapter benefit event for the Children's Home Society which will be a "Night at the Ball Game" on June 20.

On the program also will be a piano solo by Patsy Stevens and a cello solo by Anne Kalbfleisch, pupils of Mrs. Hudd.

'Absurdia' Nets Orinda Mothers Club $1,600

"Absurdia in Suburbia" is now only a memory — but a pleasant one for members of the cast and the Orinda Mothers' Club who staged the two-night benefit at Acalanes High School last Friday and Saturday.

The two nights netted $1,600, more than had been anticipated and sufficient to pay for sound systems in both Orinda and Glorietta Schools.

SYSTEM PURCHASED

The sound systems already have been purchased through C. O. Davey of Orinda, RCA Sound Products distributor for northern California.

Through his cooperation, a good price was obtained on the equipment. The Orinda School equipment wil be ready for presentation to Superintendent Sheaff at the May 18 meeting, with Glorietta system scheduled for completion by the end of the month.

MANY USES SEEN

The sound systems will be used for classroom broadcasts of educational recordings on various subjects; for "School of the Air" programs; for musical broadcasts, for announcements and for administration uses, as well as emergency control of students.

Orinda children thus will learn about broadcasting technique.

Orinda School will have an auditorium system included in the main system so auditorium plays, lectures and functions can be broadcast to any or all classrooms.

Guild Thrills To Authoress

Probably no Guild meeting was ever enjoyed more than that on May 2 held ot the church at 12:30 when Ruth Comfort Mitchell was speaker.

After the serving of coffee and pastries, Mrs. Robert Brown, accompanied by Mrs. King, led the group in community singing of old familiar melodies. Mrs. Harris introduced Mrs. Stanley Hudd and her accompnaist, Mrs. Mary Elizabeth Tomme.

Mrs. Hudd played two cello solos with great charm and virtuosity, "Song Without Words" by Davidoff and "Bouree" by the British celloist and composer.

Mrs. Fred Twining's reading of "My Belief inu God" was eloquently given.

Mrs. G. Chester Brown then introduced the speaker, her friend from childhood days in San Francisco.

From the first to the last word the speaker held her large audience spellbound with interest and charmed with her wit and humor.

Mrs. Mitchell will not have any more speaking engagements for some time as she is busy completing a new novel her publishers are clamoring for.

Captain Sandford Sez:

IT WAS RECENTLY NECESSARY for me to spend the best part of a day in San Francisco. The day was dull with intermittent showers and everywhere I went about the streets, in the office buildings and in the restaurant where I ate lunch, most of the people were squeaking and whining and bleating about the rain. And so what? California is an agricultural state and one in which water (which means snow and rain) is absolutely essential to our success. And so I say "Send 'er down, David, send 'er down!"

Here are the things our marvelous State of California needs most: Jobs and more jobs for the tremendous influx of new residents. Water, water, and more water. And a thoroughly efficient highway system. Our present highway development is at least 20 years behind the times.

HERE'S A FUNNY ONE. I went to see a movie, "The Hasty Heart." It was about a Scotsman; and what a Scotsman! Holy mackeral! Anyhow, the funny thing was . . . a big hefty youngster came in and sat in the next seat but one to me. Immediately on his arrival he took off his shoes and put them on the seat next to me. The shoes were plenty big (maybe the theatre ought to examine their drains). Fortunately there were several vacant seats near and I moved away from there quickly. I'll be seeing you. Good-bye now.

Mt. Diablo Men's Flower Show Opens Tomorrow; Name Judges 8 Sections

The panel of judges for Mt. Diablo Men's Garden Club Spring Flower Show to be held at the Coast Counties Gas and Electric Company community room May 13 and 14 has been announced by Show Chairman George H. Conner.

Judges for the eight sections of the show, each of which covers various classifications, have been named as follows: Section 1, H. W. Haberland; Section 2, Walnut Creek Women's Club under direction of Mrs. James Dewing; Section 3, Frank Leach, Hoben Thomas and David Lercari; Section 4, Stewart Wade and Galen Darr; Section 5, Mrs. Constance Hansen; Section 6, F. F. Canham and A. M. Goff; Section 7, Alamo Women's Club with Mrs. John M. Leslie in charge; Section 8, Diablo Women's Garden Club with Mrs. Stanley Bush in charge.

JUDGING TOMORROW

Judging will be done at 12 noon, May 13, according to Conner. Entry blanks are available at the Pacific Gas and Electric Company office in Walnut Creek and the Coast County Gas and Electric Company offices in both Walnut Creek and Lafayette.

Individuals and clubs are urged to enter exhibits in the show, with ribbon awards promised for the most perfect plants, flowers and flower arrangements in their respective sections.

The show is open to the public free of charge and all visitors will be welcome, according to the committee in charge.

WATERING HINTS

Since the best rhododendron and azalea blooms appear in a couple of weeks, water the plants heavily from below. Keep water away from flower buds. Continue to water these plants well during the summer months. That's when 1951's crop of flower buds are setting.

Saranap Raps Public Housing

Formal protest from the Saranap Improvement Association of any public housing in that area was received Monday evening by the County Board of Supervisors.

The protest was similar to that of several other groups, previously placed on file, in objecting to public housing as unfair to owners of property in the area.

Supervisors also accepted the recommendation of the County Planning Commission to grant land use permits for setbacks and sideyards to Holger Benson on Acacia Drive in Orinda Estates and to P. R. Augell, Jr., on Chappanal Place, Lake Orinda Highlands.

Population Guess To Close Monday

Iona M. Booth, manager of the Contra Costa Development Association, has announced that the association sponsored county population guessing contest will close May 15.

The association has posted a $25 prize to be awarded to the person submitting the closest estimate to the actual population figure to be announced by the government on the current census.

Responses should be addressed to the Contra Costa County Development Association, 838 Escobar Street, Martinez, and must be marked Population Conest.

Housing Authority Raps Hilltoppers For 'Misrepresentation' of Facts

Deliberate misinterpretation of facts concerning low-rent public housing by selfish interests was charged this week by Sigmund Mahler, executive director of the Housing Authority of the County of Contra Costa.

The charges came to light at the Board of Supervisors meeting in Martinez when a letter written by Mahler to the Hilltoppers of Lafayette was made public.

DENIES ASSERTION

Mahler, in his letter, took exception to the statements made by the Hilltoppers in their protest to the board against the low-rent program in the county.

Contrary to the assertion of the Lafayette group, Mahler said only low income families were acceptable and that certainly never had a family been housed in subsidized dwellings whose income came near to $6,000 per year.

Hitting at the misreading of county revenue derived from public housing, the executive director maintained that the in lieu taxes paid by the Housing Authority actually afford more tax funds than previously gained.

ONLY WHERE NEEDED

Mahler asked that groups such as the Hilltoppers ascertain all the facts and information available before taking action condemning the program.

Although new low-rent programs are contemplated for the county, no such development would be made in Lafayette, Orinda or any other communities not needing it, Mahler said.

Your Garden

Month of May Is Filled With Tasks For Gardeners; Dahlia Tubers Good

By BERT WRIGHT

RARE, INDEED, is the gardener who does all the things he wants to do this month . . . there are that many tasks to tend to!

The flower garden takes a large bit of our time. Those who have tulips and daffodils in their garden will often be faced with the problem of providing room for other plants which they want to set out. In the tulip bed, it is best to plant around the tulips. As each tulip finishes blooming, cut back the flower head and stem to the top leaf, allowing the leaves to remain until they ripen. If you find it necessary to dig the bulbs before leaves are fully ripened, dig them with a good covering of soil and heel them into a trench. Leave them in the trench until it is time to store them away for fall planting.

Winifred Cobbledick and Mrs. A. S. Hickey, northern Children's Societl district leaders.

Daffodil foliage can be tied into a knot to make space for planting around them, or they can be dug up and heeled in like tulips.

SUCH ANNUALS as zinnias, asters, marigolds, salpiglossis and cosmos will do well if sown outdoors this month. Pinch establishel plants such as snapdragons, petunias and verbena. This can be done a week or two before planting out, or after they are established outdoors, but not at the time of planting.

Where you are going to plant annual seed in beds, prepare your soil well and apply 4 pounds complete plant food for each 100 square feet of area. Where transplanting seedlings that you have started indoors, mix an amount plant food equal to a level tablespoonful with the soil in the bottom of the hole, add one inch of soil and set out the plant. Water immediately after planting to help settle the soil around the plant's roots as well as make the plant food quickly available.

Dahlia tubers can be planted this month. If you want larger, more beautiful blooms, feed complete plant food at time of planting and every six weeks thereafter. The procedure at planting time is to make holes 8 to 10 inches in diameter. Then mix 1 heaping teaspoonful of complete plant food with the soil in the bottom of the hole and 1 heaping tablespoonful with the soil used in filling up the hole. Every six weeks spread 1 tablespoonful evenly over each square foot of space around each plant. Be sure to keep the plant food away from the stalk of the plant and work thoroughly into the soil.

BEFORE PLANTING, tubers will require dividing. Try to save as many eyes as possible, and be careful not to knock off the bud eye. Plant the tubers 5 inches deep, lying almost flat and with the eye next to the stake. Cover with no more than 2 or 3 inches of soil. Fill in the remaining 2 or 3 inches as plants begin growth.

Barbara Catches Bouquet–Sets Date

"She who catches the bride's bouquet will herself be the next bride."

So the old adage goes, and apparently holds true for Barbara Franke of Upper Happy Valley Road, who caught the bouquet of lilies of the valley which Virginia Odom tossed to her friends after her wedding to Bill Simpson of Lafayette two weeks ago.

Barbara announced her engagement to Robert E. Boyle of Berkeley during this past week.

Barbara, a graduate of Acalanes High School and a senior student at the University of California, first told of her betrothal during a family dinner party last Thursday. Then on Friday, the bride-to-be revealed her engagement to the College Women's Club Juniors, of which she is the presiding officer. On Saturday other intimate friends were let in on the secret during a shower that Barbara gave for Mrs. Wayne Smith of Oakland.

The bride-to-be is the daughter of Mrs. R. C. Franke and the late Mr. Franke, and has lived in the Lafayette area for several years. She is the sister of Raymond and Stanley Franke. Barbara also is affiliated on the UC campus with Utrimque, UC Masonic Club, UC Yacht Club and the senior class council.

Bob, who was a member of the UC Masonic Club while at the university, is the son of Mr. and Mrs. J. E. Boyle of Virginia Gardens, and the brother of Mrs. Richard Slyfield of Ojai. He now is in business in Berkeley.

CHRISTIAN SCIENCE CHURCH

"Mortals and Immortals" is the subject of the Lesson - Sermon which will be read in all Christian Science churches this Sunday, May 14. The Golden Text is taken from Romans: "They that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit" (8:15).

Among the citations comprising the sermon are the following:

The Bible: "Nicodemus saith unto him, How can a men be born when he is old? can he enter the second time into his mother's womb, and be born? Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God" (John 3:4, 5).

"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The fading forms of matter, the mortal body and material earth, are the fleeting concepts of the human mind. They have their day before the permanent facts and their perfection in Spirit appear" (p. 263).

Hospital Workers Ask Pay Raises

Contra Costa County Civil Service Commissioners last week took under advisement demands for a 9.4 per cent pay raise for two county employe groups.

More than 150 county workers jammed the commission's chambers to give weight to their plea. Pay hikes were requested by the Contra Costa Employees Association and the Allied Hospital Employees Association.

Adoption Agency Opens Its Doors In County July 1

It was announced yesterday that the Contra Costa Adoption Agency will be in operation by July 1.

The agency, operated as a part of the County Social Service Department, will be headquartered in Martinez and will provide service for the entire county. Details concerning budget, space and operating personnel, are being resolved with the State Department of Social Welfare by W. G. Golden, social service director for the county. The unit will be supervised by Miss Hazel Bears, chief of the child welfare division of the social service department, and necessary social work and clerical personnel will be drawn from Civil Service registers.

FIBUSH CHAIRMAN

Plans for the initiation of this needed service were approved by the Board of Supervisors last December after recommendations were received from the Contra Costa Citizen's Adoption Committee, which had studied the problem for several months, and of which Don Fibush of Lafayette was chairman. The overall plan of operation has now been approved by the State Department of Social Welfare, and state funds will be made available for the major portion of the total cost of the program.

Applications will be accepted only from prospective adoptive parents who are residents of Contra Costa County, and hope was expressed by Golden that couples looking toward the possible adoption of a child will develop interest in taking older children since it appears probable that there will be more older children than infants available for adoption.

Golden said, "As soon as written information is prepared, it will be sent to couples who have made inquiry, but we will not be in a position to accept formal applications until after July 1. We stand ready, however, to furnish any available information to persons contacting either office of the department, located in the Court House, Martinez, or 256 24th Street, Richmond."

Absentee Ballots Now Available

Absentee ballots for the annual election of school trustees may be obtained until May 13, County Superintendent of Schools B. O. Wilson announced today.

Voters desiring absentee ballots may make application in writing to the superintendent's office, Room 306, Court House, Martinez. The ballots must be voted on or before the day of election, May 19.

GI Summer School Details Listed

Veterans planning to go to summer school under the GI Bill should begin now to make necessary arrangements for Veterans Administration certificates of eligibility.

A veteran already in school under the GI Bill who intends to continue his education this summer in a different school should apply as soon as possible for a supplemental certificate of eligibility.

They must have supplemental certificates before they can be admitted to new schools or courses.

Application forms for the certificates may be obtained from the registrar's office at their school or from any VA office.

After a veteran has filled out the application for an original certificate of eligibility he should send it to the VA Regional Office having jurisdiction over the school he now is attending.

Veterans planning to attend summer school in the same institution in which they now are enrolled do not need a supplemental certificate to re-enroll.

Letters to the Editor

DEAR SIR:

Besides the citations for service awarded to and now being forwarded to community chairmen and the 400 workers who have contributed to the success of the 1950 Red Cross Fund in the Mt. Diablo Area Chapter there should be a special honor for the newspapers that have supported the drive so generously.

In lieu of a special certificate please accept this letter as one of appreciation from the chapter and the Fund Campaign group to your publication for your liberal cooperation in advocating the cause of the Red Cross generally and in publishing the news of our local drive in particular.

We feel that much of the success of this year's effort, which finds the Fund greatly oversubscribed, is due to your assistance.

R. W. RINEHART,
Again, thanks very much. chairman, 1950 Red Cross Fund.

DEAR SIR:

The assistance given by your paper in printing Federal Income Tax information was of help to both taxpayers and our department.

The response of the people of this district to our frequent urging "File Early" was remarkable. Through the cooperation of press and taxpayers we were able to refund over-tax payments promptly. At the present time the mailing of refund checks is approximately 85 per cent complete. We are proud of this record and feel it is due in a large measure to the help given by newspapers.

I am taking this opportunity to express the appreciation of myself and entire staff for the help your paper accorded the taxpayers and the Internal Revenue of the First California District.

JAMES G. SMYTH
Collector of Internal Revenue

DRIVE OUT AND SAVE

If you keep a list of out-of-town numbers, you'll find calls are put through much faster—often in 30 seconds.

TIPS FOR TOP LONG DISTANCE SERVICE

Ways to save money and minutes on out-of-town calls

1. Reduced rates begin at six in the evening . . . and between six and seven is a good time to call. Long Distance rates are low. And nights and Sundays are a particularly fine bargain. For $2.00 or less (plus tax) you can make a station call anywhere in the country. After the first three minutes, time is charged by the minute . . . not as another three-minute period.

2. For best service, place your call with the operator like this: First, tell her the name of the town you're calling . . . then the telephone number (or the name and address). Next, if it's a person call, give her the name of the one you want to reach. And if you've made notes ahead of time, you'll find you can say as much in three minutes as in an average letter.

3. When you call across the country or across town, you're using a service that's a finer value than ever before. With your telephone, you can reach twice as many people as 10 years ago. You can call more of the people you want to call . . . more can call you. And at rates that make your telephone a real bargain.

Attorneys Talk Legal Aid Unit

Vernon Patterson of Lafayette and George Tyler of Orinda attended a meeting held last Friday to consider formation of a legal aid society for indigents.

Junior College Names Campuses

Trustees adopted the East and West Campus titles at their last meeting for purposes of identification.

A suggestion the "junior" title be dropped from the college's name found no support.

all Around ORINDA

WIITH THE ROUNDER

ONE OF THE MOST COMPETITIVE SPORTING events in Orinda history must undoubtedly be the Cub Scouts baseball league. Probably because Troop 32 has proven to be the "pint sized Yankees of Contra Costa County." Won every game they played in 1948 and again in 1949. Were headed for another undefeated season until lightning in the form of Troop 52, struck them, scored 12 runs in the first inning. Even in defeat though the kids have been having nothing but fun and, incidentally, learning a lot about baseball and good sportsmanship, primarily because of Joe Navone's efforts as coach, trainer and manager. It's the parents who obviously have been doing the suffering. On several occasions, we hear, men have come near to fisticuffs over adverse decisions, and it wasn't unusual to find fond mothers demanding to see birth certificates proving the opposing team's players were of Cub age and not ringers from the Oaks ball club. Apparently our local Cub ballplayers aren't as big for their age as some of their opponents. Which doesn't seem to bother the kids at all. What they lack in size they make up for in spirit.

LAST YEAR THE ROUNDER reported that a couple engaged in taking portraits in the raw were doing so a bit too close to the road for privacy. Another couple with a view toward taking similar snapshots—or taking snapshots with a similar view—thought they had a completely secluded nook—proceeded, recently, to try to film the beauties of unfettered nature. Apparently hadn't taken into account the early rising habits of Orinda boys—got caught in the middle of an uncovered pose in one of the gullies back of the Orinda School.

HOLDING TRUE TO tradition of having a little bit of everything, Orinda made the front pages of an Oakland paper as the residence of an alleged Communist, one Mrs. W. Loughrey whose "Orinda Estate" (the Post-Enquirer's term) is at 39 El Toyonal. The allegations are of no particular news to many Orindans who have long suspected activities of a Stalinesque nature were taking place there. In fact such information was volunteered to the Rounder many months ago by several members of Orinda's younger set. Reluctant to accept their information without further verification, the Rounder now bows in their direction with the suggesion that maybe a few of them on our investigating committees might be a good idea.

A NOD OF APPROVAL is hereby tendered the Orinda News for its new book review page. And of course for the critical discernment shown by Editor Blalock in his efforts to achieve literary perfection for his readers. SUN staff members are quite flattered this week. Hadn't considered their reporting efforts outstanding enough to warrant reprinting. Were startled to discover that the News editors apparently thought they were. Found two items lifted almost verbatim from last week's SUN, One about the sheriff and law enforcement—one about the probe of parking problems at the crossroads. Thank you Mr. Blalock—and come again sometime.

NOTED THAT THE NEWS, too, is using an old time Chronicle method of heading portions of its news items as they are continued on another page, such as "More on Taxes," "More on Orindans," etc. This week a story was continued from one page to another and headed "More on Sheriff." It sounds bad enough as it is. But just suppose the printer eliminated the E in "more."

THE SILLY SEASON is undoubtedly here. Comes in the mail some literature urging the election of Boddy to the Senate A great to-do is made over the fact that the good man was born in a log cabin. That qualifies a man for the senatorship? And dropping out of the sky in a helicopter a la Douglas is an indication of sufficient ability to hold a high public office?

JOHN MILLER, according to the political insiders, hasn't too much of a chance to be elected sheriff, principally because he hasn't had the time to plan and conduct a really vigorous campaign. Only chance he has to win, it's said, is if Major Slater and Fred Nettles can pull enough votes away from incumbent Long and force the issue into the general election in November—a run-off between Miller and Long at that time. With another six months of active campaigning Miller would probably be a good even money bet to unseat Mr. No-Comment.

THE BARBERSHOPPERS Night of Harmony last year turned out to be one of the highlights of Orinda's entertainment season. Present a similar show again on June 3 at Acalanes with 14 outstanding barbershop quartets taking part. Last year Night of Harmony was given before a SRO crowd. It will be even better this time, we hear. so early ticket purchases seem in order. Any SPEBQSA member will be happy to accommodate.

ODDS AND ENDS AND ORINDANS: It takes special equipment to note that Orindan's foundations are rapidly vanishing. We speak of that piece of raiment worn by the ladies most of the year, the removal of which means summer and sun suits are really here. We can't help but note, in passing, the comparison between the ladies' and men's summer clothing. And we're trying to figure out whether it's because the men are less conscious of the heat than the women—or more conscious of their figures. . . . Orinda's pooches are usually either having a bad time of it—or giving someone else a pack of trouble. Up near the top of El Toyonal there's a collection of dogs of all sizes and shapes apparently bent on deflowering every garden in the area. It's gotten to the point where even gophers aren't as bad in their depredations. Something should be done by the animal owners to keep their dogs at home. It's only fair to warn them that drastic steps are being taken by some of the residents nearby. One fellow has a bone buried near the scene of the dog's digging activities. And scattered through the earth covering the bone is a considerable amount of broken glass that can raise havoc with a pooch's digging equipment. Another of the residents feels the situation calls for even more drastic measures. He has a bear trap set in his yard. . . . Some of the most ardent admirers of present Sheriff Long are the tavern owners. Last election Long's picture and political literature littered every bar hereabouts. This year, for some reason, it's all a bit different. The barkeeps are still for their Man—but what happened to all the campaign literature?.

TOMORROW SEES THE LAST class of the Orinda Children's Art Center for this season. Been a tremendous success and to show the general public how talented are the local children who have been attending the regular weekly classes, a tea and an exhibit of their work will be held on June 2 between 3 and 8 p.m. at the home of the Ted Harrars on 7 Oaks Circle. Admission to be 50 cents. All Orindans invited to attend.

Garden Clinic Set for Acalanes Thursday

MODERN DANCERS REHEARSE—Pat Bermingham, Janet Jansse and Margaret Hawley (left to right) of the Acalanes modern dance class rehearse their number for the eighth annual Spring Festival and Music Show next Friday, May 19, at 8:15 o'clock in the Acalanes gymnasium.

Six Authorities To Be on Panel

Hundreds of area garden lovers are expected to pack Acalanes High School auditorium next Thursday night when the Annual Garden Clinic for Central Contra Costa County is held for the first time.

Final arrangements to handle a record turnout of homeowners and gardeners were mapped last night at a meeting of members of the California Nurserymen's Association.

STARTS AT 8 O'CLOCK

The Clinic, being sponsored by the Lafayette SUN, the Orinda SUN, and the Contra Costa Shopping News, will start at 8 o'clock Thursday.

Roy Hartman, nationally-known San Jose nurseryman and past president of the American Association of Nurserymen, will act as moderator for a panel of garden, landscape and flower experts that will furnish gardeners with information.

The panel will include Clyde Stocking, famous rose grower; Ernest Wertheim, landscap architect; Channing Jones, a spray company executive; John Edwards, camellia expert, and L. L. Edmunds of Danville, native shrub specialist.

QUESTIONS ALLOWED

The men will talk for 10 minutes each, then the Clinic will be thrown open to a limited question and answer period.

During this period, members of the audience will have the chance to learn, from one of the experts, how to combat problems of gardening facing the individuals.

ADMISSION FREE

Jack Schneider, acting as program chairman for the Nurserymen's Association, said lessons learned in other Clinics held elsewhere will be applied to next Thursday's Clinic.

Trustees Okay Acalanes Plans

Acalanes School Board members have okayed the architect's preliminary plans for the new high school to be built south of Walnut Creek.

The board hopes to accept bids for new school construction by mid-summer. Bids will be called on the basic structure plans and several alternate plans. The alternate plans allow for further modification and improvement on the basic structure.

Last week the board checked over the wares of several school bus manufacturers. The Acalanes district, in the face of mounting costs under private contracts, expects to operate its own bus facilities by next fall. Orinda and Lafayette grammar schools have requested the high school to furnish their transportation too.

High school officials expect another 100 new students to register before fall. The majority of that group will be composed of new residents in the district.

Acalanes Senior Class Busy With Graduating Rites

With graduation set for June 18 on the Acalanes Memorial Field, Acalanes seniors began to push plans this week for their big pre-graduation prom, the senior ball.

Yvonne Massone, senior class social secretary, and Anita Anderson, Acalanes instructor, are in charge.

The dance will be held in the school gym May 27. The gym is being decorated around the theme "Garden of Memories."

The school board altered graduation plans recently from the usual procedure of night graduation in the gymnasium to an afternoon ceremony on the football field to accommodate this year's large graduating class of 208 students, their families and friends.

Cancer Society Extends Drive Through May

Todd Nies, Lafayette and Orinda chairman for the American Cancer Society, has announced the organization's fund-raising campaign has been extended through May.

Nies said the extension was necessitated because of "many conflicting activities" held during April.

"As in the last two annual campaigns," Nies said, "the American Cancer Society is deeply grateful to the county committee of the Farm Bureau home departments. Under their chairman, Mrs. Howard Weidemann, the section chairmen have been unstinting in their time and efforts on the drive."

Mrs. Ernest Gregory of Orinda, Mrs. Earl E. Flood of Lafayette and Mrs. K. Anderson of Lafayette are coin container chairmen in their respective districts. Mrs. Anderson also handles publicity for the two communities.

County headquarters is located at 1000 Oak Grove Road, Ygnaiio Valley. Contributions can be mailed to that address or to CANCER, care of the local postmasters.

105 Students in Acalanes Music Festival May 19

Students of Acalanes High School will play host to the community again May 19 at the school's 8th annual music festival.

The high school band, girls' chorus, boys' chorus and modern dance groups will be featured on the program which starts at 8:15 p.m. in the school gym. Admission is 25 cents.

The girls' chorus will sing four numbers including "Romance" from "The Desert Song" by Sigmund Romberg, and "Wonderful Guy" from the current Broadway success "South Pacific." Bev Mumford and Dorothy Thuman are soloists.

CHORUS TO SING

The school band will play selections from "South Pacific, "Hillbilly" by the famous American contemporary composer Morton Gould, and "Intermezzo" by Provost. Oscar Busch directs both the band and girls' chorus.

The boys' chorus led by Bruce Handley will sing three numbers including the "Whiffenpoof Song," with Tom Hageman as soloist, and Hallelujah" from "Hit the Deck!" the Deck!"

105 PARTICIPATE

Modern dance classes directed by Millicent Hamburger have centered their portion of the program around Chopin, commemorating the 100th year since his death. They will dance to Chopin's Five Preludes and "Polonaise in A Flat." A bit of Americana is also included in the dance repertoire with a group of four Negro spirituals and a "Country Fair" and "May Pole Waltz" number. Over 105 students will perform.

Hey, You! We're Lonesome! It's A Real BIG Place

We're lonesome.

This is a big barn of a place.

Especially alongside our old quarters, which most of you knew.

There we were a small, compact, newspaper-producing unit.

Here we're a cog clacking coyly in a big building. Sometimes, even, we wish we were back in our old shed.

But, of course, the SUN is growing. We're trying, mighty hard right now, to grow with it.

Maybe — just possibly — these spacious rooms, and filing cabinets, and desks, and counters — have got us on the ropes.

But it's a great fight, Mom.

And, actually, we love it.

Just in case you haven't been following us, say for the past two weeks, we're in our new, ornate, spacious, MAGNIFICENT quarters on Orchard Road, just behind El Molino.

We like it!

That's the whole gang of us.

And we'll make the Lafayette and Orinda SUNS, and the Contra Costa Shopping News, the three best publications this side of San Francisco, if you'll give us half the chance you did when we were in our old quarters.

How-a-bout it? Why don't you drop in with that classified advertisement — or that news item — or that display ad — or, for that matter, just to look around and say hello.

Fine! We'll be glad to have you, young and old alike.

Orinda Seafarer Plays Role of 'Old Timer' in Describing Early Life Here

Since their organization at the home of Mr. and Mrs. G. S. Perkins, Ardilla Road, on Tuesday, May 28, 1946, the Seafarers have hade 44 cruises. Ship officers and crews have enjoyed these cruises to various home ports, and welcomed all new travelers aboard.

The April 29th cruise was to the Fred Elkington port on Honey Hill Road. Fred was skipper of the evening and played the role of "Old Timer," telling the group of his family's early days in Orinda. He said they built their home in 1923 but did not come from Berkeley to live here until 1926.

TELLS EXPERIENCES

He told of hiking and horseback riding over the hills and valleys of Orinda, through flower-strewn fields, in dust or mud of the rough country roads. and a few times even through snow; of chatting over the fence with George Brockhurst, who then owned and farmed all of Sleepy Hollow; of fishing for trout, salmon and steelhead in San Pablo Creek, and of trapping wildcats and coyotes.

He rememberd the time, too, when a bear got into Capt. Oakley's bee hives and the captain and Jim Sullivan tracked the bear for two days before losing it in the brush. It was later found dead of its wounds on the banks of Bear Creek.

Those were the days, Fred said, of 10-party phone lines. There was the excitement of discoveries of traces of ail and of natural gas and although 11 wells were opened and hopes ran high, no one struck it rich. Interesting discoveries had been mad of camel bones in a stretch of sandstone, and of many shell fossils in the clay banks of Orinda.

Those were the days when the mail man brought the mail from Berkeley over Wildcat Road in a horse and buggy.

ONLY 2 PUPILS

Mrs. Grace Kendall added to the interest of the evening by telling of the three years she taught the first Orinda school. This was a one room affair at the junction of Bear Creek, San Pablo and Wildcat Canyon roads. At first she had but two pupils, but the number grew the first year to 21, and afterwards to 30 or more. In thise school were held the first meetings of an Orinda Association and were presided over by E. I. de Laveaga.

Skippering the May cruise of the seafarers will be Mr. and Mrs. Clarence Hughes.

Orinda Teachers Honor Mrs. Sutter

Mrs. Dorothy Sutter was surprised and honored by the Orinda Union School teachers and secretaries recently. A pink and white combination baby wrapper and hood was presented to her.

Ice cream and cookies were served around a cleverly arranged table centerpiece made up of fresh spring flowers, a "stork," pink and blue rabbit rattles, and a baby doll.

The teachers and secretaries present were Mesdames Mildred Parker, Paula Collings, Margaret Anderson, Theo Canty, Pauline Blessing, Agnes Gilman, Verna Givens, Tuulie Marttila, Nadia Nicolaysen, Ruth Lamborn, and Beeman; Misses Elizabeth Haviside, Mary Siefker, Marianne Skemp, Frances Davison, Margaret Moon, Roberta George, Frances Tighe, Yolanda Bergamini; William Medlen, Frank Isola and Mrs. Snook.

Lamb-Like Cake Aids Birthday Celebration

Sara van Gilluwe, daughter of the Frank van Gilluwes, invited a group of friends to her home on Charles Hill Circle recently to help celebrate her 9th birthday.

Since Sara's birthday was actually on May Day, her birthday cake was made in the shape of a lamb, and was much enjoyed by her guests.

Housing Petition Being Circulated

Petitions are being circulated in this area to place a Public housing amendment to the state constitution on the November ballot.

This petition being circulated by the realtors of Lafayette, Orinda and Walnut Creek and the General Contractors Association of Contra Costa County calls for approval by the voters of any further "low rent public housing."

"The proposed amendment would return the controversial Public Housing question to a democratic form of settlement," according to the local realtors group.

Okay Permits for Three Orindans

Three new permits were recommended for issuance last week by the Planning Commission for Orinda area residents.

They were asked by Holger Benson, for side yards in Orinda Estates on Acacia Drive; P. R. Augell, Jr., a 10-foot setback at the end of Chapparal Place, Lake Orinda Highlands, and E. L. Bloomster, a 5-foot, 6-inch side yard on Los Dedos, Hacienda del Orinda.

Orindan Named Ranch Manager

Wynn Thomas of Orinda has been named manager of a large Napa County ranch purchased this week by an Oakland man.

Thomas' appointment was announced at the same time Boyd L. Wilson of Fred T. Wood, Inc., of Orinda, completed details of the sale.

The property was the Frank G. and Jessie M. Johnson ranch located four and one-half miles south of Montecello along the Napa Road. Wison reported Denison Ayer of Oakland paid $120,000 for the property and already has stocked it with 300 head of cows.

Moraga's School Problems Studied

Moraga Elementary School District's problems and needs will be studied by a sub-committee of the Contra Costa County School District Organization.

The study was resolved upon at a meeting in Moraga last week. O. J. Wohlgemuth of Walnut Creek, chairman, said the report will be ready for the committee's next session.

Others serving with Wohlgemuth are Jack Wendt of Walnut Creek and Gerould Gill of Marsh Creek. LeMay Podva also attended.

Defenders of the school's present operation contend it is efficient and adequate while critics say 34 pupils overload the present two teachers. Wohlgemuth said the per capita cost of education of $249 a pupil is higher than any other within the Acalanes District.

Saturday work for Cement Finishers shall be at one and one-half (1½) times the normal rate for the first eight (8) hours worked and at double the normal rate for all further time worked on Saturdays.

NOTICE IS ALSO HEREBY GIVEN BIDDERS that it shall be mandatory upon the contractor to whom the contract is awarded, and upon all subcontractors under him, to pay not less than said general prevailing rates of per diem wages, as above listed, to all laborers, workmen and mechanics employed in the execution of the contract.

Anything to the contrary in the above wage scale notwithstanding, the Contractor and all subcontractors under him shall pay all their laborers, workmen, mechanics and employees on said work a salary or wage at least equal to the prevailing salary or wage for the same quality of service rendered to private persons, firms or corporations under similar employment, within the Central Contra Costa Sanitary District.

The per diem wage rate is the hourly rate hereinabove mentioned established multiplied by the number of hours hereinabove mentioned as constituting the working day for the particular craft or type of workman.

Before submitting proposals the bidder shall be licensed in accordance with the provisions of Chapter 9 Division III of the Business and Professions Code, Chapter 37 of the Statutes of 1939, as amended, of the State of California, which provides for the registration and licensing of contractors.

Each bidder must submit with his proposal, a statement of his financial responsibility, technical ability and experience on the form to be furnished prospective bidders.

Each bidder shall submit with his bid on the form provided, the name and address of each subcontractor including the principal suppliers of materials, and the portion of the work which each subcontractor will do. If the contractor fails to name the subcontractors in his proposal, he shall be deemed to have agreed to perform such portion of the work himself and shall not be permitted to subcontract said portion of work without previous written permission of the District Board.

The Contractor shall, in the performance of the work and improvements, conform to the Labor Code of the State of California and other laws of the State of California applicable thereto, with the exception only of such variations as may be required under the special statutes pursuant to which proceedings hereunder are taken and which have not been superseded by the provisions of the Labor Code. Preference to labor shall be given only in the manner provided and required by law. Veterans and resident local labor shall be given preference by the Contractor wherever possible, if skill and working ability permit without increasing the ultimate cost of the work and improvement to the Local Improvement District, the Central Contra Costa Sanitary District and its officers.

All proposals or bids shall be accompanied by a check payable to said Central Contra Costa Sanitary District and certified by a responsible bank for an amount which shall not be less than ten (10%) per cent of the aggregate of the proposal, or by a bond for said amount and so payable, signed by the bidder and two sureties, who shall justify, before any officer competent to administer an oath, in double the said amount and over and above all statutory exemptions. The proposals shall be made out on the form to be furnished prospective bidders, a copy of which is incorporated with the specifications.

Said proposals or bids shall be delivered to the Clerk of the District Board of the Central Contra Costa Sanitary District on or before May 16th, 1950, at the hour of 8:00 p.m. of said date, at the office of said Central Contra Costa Sanitary District at 1822 Mt. Diablo Blvd., Walnut Creek, Contra Costa County, State of California, said time being not less than ten (10) days from the time of the first publication or posting of this Notice. Bids will be opened on said day and hour. The District Board reserves the right to reject any and all proposals or bids, should it deem this necessary for the public good, and also the bid of the bidder who has been delinquent or unfaithful in any former contract with the Central Contra Costa Sanitary District.

All bids shall be submitted on the understanding that all work thereunder shall be done pursuant to the Improvement Act of 1911 and that all of the applicable requirements thereof shall be made a part of the Local Improvement District and the contract.

Orindans Learn Blossom Pattern

Arrangement of spring flowers for home decoration was the topic discussed by Mrs. Frederick Dall of Piedmont, guest speaker at the meeting of Orinda Garden Club recently.

Introduced by Mrs. William Wilson, program chairman, Mrs. Dall illustrated her talk by making arrangements of spring blossoms.

Following the meeting, a buffet luncheon was served members and their guests. Mrs. F. K. Bottomley was in charge of luncheon reservations and Mrs. Jeffress Rodwell presided over awarding of a potted plant prior to the program.

Teentopper Gals Have It on Boys

Somehow or other, when time for the shelter cleanup arrived, the boys were missing.

So to the Adair family, and to Marilyn Montgomery, fell the job of cleaning it, prior to painting today or tomorrow.

Naturally, there's a lot of razzing going on. The "girls" — we use the term rather loosely since we weren't even there — are kidding the boys no end about their laziness.

Right now the Teentoppers are working on their Moms and Dads to take them to Playland, in San Francisco. They will have a short meeting after school Friday to determine which parents can transport them to the recreation site.

They also discussed a birthday party for Jim Maddox, and a picnic meeting with the Hilltoppers May 21.

Your hometown merchant is always here to serve you.

Canyon Comiques Willing to Cancel Show If All Tickets Are Purchased

Tomorrow is the night for the Canyon Comiques, not to mention the Kanyon Kids.

They all have opening night jitters, and everyone is in such a tizzy "they don't know whether they are afoot or horseback."

But the show must go on, these Intrepid Troopers quote (not that every one of them isn't just dying to get up there before that huge audience (they hope) and act. Of course, their offer still stands. These Pitiful Performers are willing to cancel the show even at this late date (thus saving much misery from a suffering audience) providing all the tickets are sold.

"Even though we are a small, almost overlooked community," say these Zestful Zanies, "we are going to show people we can raise money for worthy causes as well as our larger, more prosperous neighboring communities." The proceeds are for the benefit of the Mt. Diablo Child Therapy Center and the Canyon School Milk Fund.

These Putrid Players would put the Cherry Sisters to shame. But, unlike the Cherry Sisters, the Canyon Comiques were not able to rig up a chicken wire net before the stage, and therefore are establishing a guard at the entrance to the hall, to be sure that all bad eggs and vegetables are checked at the door.

If you can't attend tomorrow at Canyon Inn Hall at 8 p.m. the Comiques ask that you send 65c for an adult ticket and 25c for the kids.

Canyon-Moraga Cubs Lose Tilt

Cub Pack 57, consisting of Den 1, Canyon, and Den 2, Moraga, lost to Pack 58, Pleasant Hill, 35-7.

The game was played at Canyon instead of Moraga, as scheduled. Pleasant Hill has won every game it has played in the league, so far.

"The score doesn't really tell the story," said Mr. Shally, 57's cubmaster. "The pack is improving its style." Next game is scheduled for May 13 and will be played at Moraga, pitting Pack 57 against Pack 43 of Walnut Creek

Canyon Grove Scene Of Mass Picnic

Plans for a community-wide picnic June 14 at the Canyon Grove were discussed when members of the Canyon Women's Club met yesterday.

Those named to committees for the event include Mrs. Pat King, chairman, and Mrs. Jay Jacobs, Mrs. Paul Foster and Mrs. Claude Seeds.

The meeting closed with an election of officers. Those selected follow: Mrs. Patrick King, president; Mrs. John Shally, vice-president; Mrs. Clyde Engle, secretary, and Mrs. Jay Jacobs, treasurer.

Committee chairmen will be Mrs. George Chessum, hospitality; Mrs. Arlo Compher, ways and means, and Mrs. Shally and Mrs. Seeds, publicity.

The need for additional money for the Canyon Milk fund was discussed. If the school can continue its program for another year, it then will be entitled to state aid.

The meeting, sparsely attended, also heard addresses on membership by Dennis Hood, manager of the Van Horn Butane Service, and Harold Hansen. Both talked of the possibility of installing larger butane tanks, making possible thermostatically-controlled floor furnaces.

At this camp the Scouts will be under the supervision of a scoutmaster or committeeman. They will set up their own camp, do their cooking and furnish their own entertainment. They will have access to entertainment facilities at Camp Wolfboro, across the river.
